Week beginning 18th May

Summer 1 Week 5- ALL

Religious Education

“When the day of Pentecost came, all the believers were gathered together in one place. Suddenly there was a noise from the sky which sounded like a strong and powerful wind blowing, and it filled the whole house where they were sitting. Then they saw what looked like tongues of fire which spread out and touched each person there. They were all filled with the Holy Spirit and began to talk in other languages, as the Spirit enabled them to speak.

There were Jews living in Jerusalem, religious people who had come from every country in the world. When they heard this noise, a large crowd gathered. They were all excited, because all of them heard the believers talking in their own languages. In amazement and wonder they exclaimed, “These people who are talking like this are Galileans! How is it, then, that all of us hear them speaking in our own native languages? We are from many different countries yet all of us hear them speaking in our own languages about the great things that God has done!” Amazed and confused, they kept asking one another, “What does this mean?” But others made fun of the believers, saying, “These people are drunk!”

Then Peter stood up with the apostles and in a loud voice began to speak to the crowd. “Fellow-Jews and all of you who live in Jerusalem, listen to me and let me tell you what this means. These people are not drunk, they are filled with God’s Holy Spirit.”

This is what the prophet Joel spoke about: God says: “I will pour out my Spirit on everyone and they will proclaim my message.” Awe and wonder came upon everyone, because many wonders and signs were being done by the apostles.”

Acts 2: 1-18, 43

Highlight all the words in the passage which describes people who are bursting with energy or have no energy. Make a pinwheel with energy words on the sails. Think about the links between the energy the wind gives to move the pinwheel and that given by the Spirit to 'move' the apostles.

Energy word examples

- Powerful
- Strong
- Storm
- Blaze

English

IALT use a thesaurus to find synonyms.

Synonyms are words that have the same or similar meaning (for example cold, chilly, bleak, freezing).

Can you find better words to use for: good, old, big, nice, said?

Maths

We are builders! Let's investigate!

Have a look at this maths building investigation.

Use your super adding skills to see if you can investigate the answers to the 3 challenges.

Use Lego bricks, if you have them, or draw each of the Lego bricks as arrays and add them together.

Adding investigation:

Today you will be builders. You need to build a brick wall with a total value of 32. Here are your materials:

	value 8
	4
	2

Challenge 1: Build the wall with a Value of 32.

Challenge 2: How many ways can you build a wall with a value of 32?

Challenge 3: Build a wall with a value of 64. What combination of bricks will you use?

Take pictures of your brick walls and workings out.

Investigate, Design and Make

IALT: describe the function of leaves

- 1) On a sheet of paper, draw a leaf and around that leaf write all the things you know about leaves e.g. what you think they do, what happens to leaves at different times of the year etc.
- 2) Watch the video clip. <https://www.bbc.co.uk/bitesize/clips/z2k4d2p>
- 3) Using your initial ideas and new learning, create a poster to explain what the function of leaves is.

S2S:

Include a large, detailed drawing of a leaf.

Label the parts of the leaf

Describe what the leaves do (the function of the leaves)

If you can, gather a range of different leaves and decorate your page with them.

Physical development

- Create a strength circuit, think about what we did in PE last term. E.g. 30 second push ups, 30 second squats, 30 second jumping jacks. Remember to have 10 seconds break between each exercise and have at least 5 exercises in your circuit.
- Look on Seesaw and have a go at Mr Buggy's challenges.

Going for goals

Sometimes we don't always achieve our goals, instead of giving up make a list of how you can motivate yourself to persevere to reach them.

E.g. setting yourself a time limit or giving yourself a reward when you get there.

Discovery of the World

(History/Geography)

IALT Identify coastal lines using a map.

Questions

- Where are the coastlines on the map? Outline these in orange.
- Use an atlas/ online map to mark where you live
- Can you use an atlas/ online map to locate and mark the following places:
Plymouth, Brighton, Devon, Cornwall, Dorset and Dover.

Wellbeing

- Meditate daily
- Every day, look in the mirror and say one positive thing about yourself.

Computing

Lesson 5 - Data and Infographics

Explain your research and infographic. make a video or a screen recording to explain more about your infographic. Include: - what topic you chose - why you chose it - how you collected the data - how you made your infographic - a tour of your infographic

Express Yourself

(Music, Drama and Art)

Art:

National Geographic Photography

National Geographic Wildlife competition is a yearly event. Photographers around the world pick up their cameras and shoot wildlife in wonderful compositions. But you don't need to travel the globe to take part. This week be a photographer!!

<https://www.nationalgeographic.com/animals/2019/10/wildlife-photographer-of-the-year-2019/>

Task: Spend some time in your garden, or a local park (with adult supervision) and photograph all wildlife you see. Aim for 6 photographs of different species found in your local area.

Music

We are continuing to learn to sing some classic songs about the sea. This week it's Bobby Shaftoe! Did you sing this when you were younger? Click on 'Music clips' page and go to the Year 3 section to sing along.

Daily tasks

- **Spelling**: Write down these words adding 'ly' to the end. Remember if the root word ends with an e, we replace the e with 'ly'. E.g. gentle= gently, simple=simply

quick	
nice	
late	
close	
happy	
funny	
lucky	ly
gentle	
simple	
humble	
basic	
frantic	
dramatic	

Activate Windows

- **Handwriting**: Practise letter join p, f, j q, y and g <http://www.cottesmore.brighton-hove.sch.uk/page/year-3/>
- **Reading** – 20 minutes daily, including practicing for fluency and answering questions about what you have read.
- **Times tables** – TTRS login or practice on paper – 2, 5, 10, 3, 4, 8 times tables
- **My Maths** – login to see what the task is for this week. Use the 'teach me' tab to see how to do it!
- **Bug Club** - read the texts and answer the questions for comprehension skills.

If you can, use SeeSaw to upload and share how you are responding to these tasks.
Logins have been emailed by the main office. Please contact us if you have not received it.

Be creative! Write, draw, photograph and video what you are doing!

And remember...We are here and thinking of you all! You are doing amazing and we are so proud of you! Keep it up!
