

Christmas Advent Fair

On Friday 29th November, children from Reception to Year 6 in the Eco Committee and Fairtrade Committee planned, organised and executed fantastic stalls at the Advent Fair.

The Eco Committee made and sold gift tags using old Christmas cards to promote recycling. The gift tags were a great success. Particular thanks to Beatrice and Juliet for running the stall so enthusiastically.

The Fairtrade Committee enjoyed an afternoon to make and decorate chocolate rice crispy cakes using Fairtrade chocolate. These also sold quickly and were delicious! Again, special thanks to Oscar L for running the stall so diligently.

Thank you to everyone who supported the children and their efforts. All money raised will feed into the Cottesmore Forest School and help buy new equipment to promote a love for outdoor learning.
