

Monday 29th April 2019
Eco Committee Assembly

Water Wise

Southern Water came to
Cottesmore St Marys before
Easter to meet with the Eco
Warriors.

Water-Saving Mission

Can you be a Water Hero?

**BE A WATER
HERO**

How have you used water?

The Value of Water

How do we get our water?

How much water do we use?

True or false?

True

Put your hands on your head

False

Cross your arms

Correct or incorrect?

True

**We are drinking the same
water that dinosaurs
drank.**

True or false?

New water is
made each
day on Planet
Earth.

False

True or false?

Only 1% of the
water on Earth
can be used by
living creatures
and plants.

True

True or false?

We need to start saving water now, so we have enough water for everyone in the future.

True

southernwater.co.uk/savewater

Being a Water Hero is good for everyone!

BE A WATER HERO

How do we use water in the home?

How can we save water?

Water. Use it. Don't waste it

[Watch this video about why it is so important to use and reduce water use.](https://vimeo.com/169677408/c71e671f61)

Be Water Wise

Each person in the UK uses an average of 150l of water per day! Could you cut down on the amount of water you use?

Only fill the kettle as much as you need. This saves electricity too!

Make sure you turn the tap off. Dripping taps waste lots of water!

Save rainwater to water your garden and houseplants.

Don't use hosepipes in the garden. Use a watering can instead.

Have a shower instead of a bath- it only uses half the water.

Cottesmore St Marys Primary School's Water-Saving Mission starts now!

BE A WATER HERO

Eco Committee Prayer

Dear God,
Thank you for our beautiful world. Please
guide and support us to look after it and
treasure the nature that surrounds and fills
our local community at Cottesmore.
