Year 6	

Agenda

- Review what is Fairtrade – short video

The reps remembered that Fairtrade is about farmers getting a fair price for all their hard work.

Children reported they have been noticing the Fairtrade Logo on lots of items in the shops – they have seen it on kitkats, chocolate, coffee, bananas and flowers.

- Decide winners from Mug competition

The reps worked in partners to come up with their top 5 favourite competition entries and then together we narrowed it down to 5.

Mrs Tearle is going to look into prices of having the Fairtrade mugs made and decide if we can stick with 5 winners or we need to narrow it down to 3.

- Challenge reps to collect Fairtrade logos from wrappers

The reps were really keen to begin a Fairtrade wrappers challenge – every class will see how many Fairtrade wrappers they can collect before the next rep meeting. Each rep has taken a folder back to their classes to begin collecting the wrappers in.

Next Rep Meeting: (May 2019)

- Photo of all the children for school display
- Ask children to begin thinking about ideas for the summer fair – e.g. smoothies, stall, fundraising etc.
- Try out some Fairtrade products – e.g. do a chocolate taste test with Fairtrade vs non Fairtrade chocolate.
