

We are a FairAchiever School!

The Cottesmore Fairtrade Committee are proud to announce that we have been awarded the final step in the Fairtrade Schools Award called FairAchiever on 2nd October 2020.

To reach this award, the school, which is led by the Fairtrade Committee, fully embedded Fairtrade into the children's daily life. The main stages to reach this award are:

1. Adopt a Fairtrade policy, which is available on the school website.
2. Complete the Learner Audit. During the school closure, Year 6 and key worker children completed the audit.
3. Embed the values upheld by Fairtrade into learning through assemblies and Fairtrade Fortnight.
4. Use Fairtrade Products, for example in Bake sales, Year 5 Chocolate Enterprise and other school events.
5. Take part in at least two Fairtrade challenges. We chose the Fairtrade recipe book and learning about tea farming in Kenya with key worker children in May.

Thank you and well done to everyone for supporting Fairtrade at Cottesmore St Mary!
