**Physical Education impact provided by SPF 2014 - 2015**

**Actions**

**Impact**

- Employed PE specialist 5 afternoons a week up to December 14. Then additional 2 mornings from January 15. All classes receive PE lesson for an hour a week with specialist teacher.
- Sports activities provided at breakfast club 2 mornings a week led by sports coach.
- After school clubs every day focusing on different sports and age groups led by in house sports coach.
- Lunchtime sports clubs in key stage 2 led by sports coach.
- Greater participation in inter school sports competition
- A wider range of intra school competition with each set of games skills being used in competitions against other forms or classes.
- All resources updated and maintained to ensure always enough for all to participate.
- Half termly Zumba classes for year 2-6
- Each class had a lesson in yoga from yoga specialist.
- A greater success rate in inter school sports competitions due to children being much more skilled in each discipline
- A competitive sports day where every child was involved and was able to compete individually for record times and medals and as part of a team.

- All teachers have felt they have developed their teaching skills working along side a sports coach. Therefore developing the capacity for improved PE teaching in future years.
- Questionnaire results from the children year2-6 all show a greater enthusiasm for PE lessons and participation in other sports activities.
- Improved standards
- Increased positive attitudes to health and well being
- Improved attitudes to PE – inspiring and engaging
- Positive impact on whole school improvements
- Increased pupil participation, enhanced inclusive curriculum provision.
- Increased number of children participating in sports clubs
- Intra school competition in athletics, basketball, hockey, tag rugby. Swimming
- Zumba and yoga have engaged some children who lacked enthusiasm in other areas of PE
- A wider range of successes in inter school competitions
