Headteacher: Rachel Breen

Computers at Cottesmore

As part of the computing curriculum, pupils access the internet. Pupils will be taught what is acceptable and what is not acceptable and given clear objectives for internet use. Pupils will be educated in the effective use of the internet in research, including how to find information and how to be critical of the information found. All internet access for children in school is filtered by Brighton and Hove Council and inappropriate material is blocked.

Please sign the agreement below and return it to school.
