School Visits - Permission

Throughout the time your child attends Cottesmore, many trips will be made to local places of interest. It is essential for the school to obtain permission for your child to take part in these visits.

You will be advised when a visit has been arranged. However, in order to assist our administration it would be helpful if you will complete and sign the form below and return this whole sheet.

I / We the parents / carers of..... give permission
for them to participate in all educational trips taking place.
