

ENGLISH

We are looking at writing settings and biographies.

As readers and writers, we are learning about:

- subordinating conjunctions (as, because, until)
- coordinating conjunctions (but, and, or)
- expanded noun phrases
- past tense
- paragraphs
- bullet points and diagrams

We are reading

RELIGIOUS EDUCATION

We are looking at

As spiritual people, we are learning about:

Continuing our topic of Called

- What does it mean to be called or chosen?

Judaism

- the significance of the Torah
- ceremonies of Bar and Bat-mitzvah

Gifts

- recognise that we all have gifts
- Christians at Christmas celebrate the gift of Jesus, given by God as a sign and expression of God's love
- Giving and receiving reflects the truth that all life is given by God and life is given meaning through the gift of Jesus

Please ensure children are reading for 20 minutes daily. Reading Journals are checked weekly. Seesaw and MyMaths will be updated weekly. All homework is on Seesaw. We appreciate your support with this. Thank you.

MUSIC

We are looking at recorder music
As musicians, we are learning about:

- How to play a woodwind instrument with a good sound on a small range of notes.
- Reading notation, performing and improvising as a class group.
- The instruments of the orchestra.
- Nativity Singing

COMPUTING

 Select, use and combine a variety of software (including internet services) on a range of digital devices to design and create a range of programs, systems and content that accomplish given goals, including collecting, analysing, evaluating and presenting data and information. Photo Editing (NCE unit) Children will develop an understanding of how digital images can be changed and edited, and how they can then be resaved and reused. They will consider the impact that editing images can have, and evaluate the effectiveness of their choices.

PHYSICAL EDUCATION

We are looking at gymnastics.

As athletes, we are learning about:

- rocket jumps with a turn
- teddy bear rolls
- mirroring balances
- performing a sequence

ART and D.T.

We are looking at using Modroc and other modelling and construction materials to make a shared sculptural feast. It will be good enough to eat!

As artists we are learning to

- Design and plan a sculpture
- Construct a sculpture using a range of modelling materials
- Carve details into clay with tools
- Make a sculpture of food, understanding that by working in 3D, the sculpture will be seen from different viewpoints.

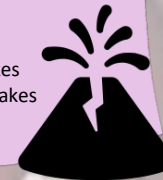

GEOGRAPHY

We are looking at

As geographers, we are learning about Volcanoes and Earthquakes:

- structure of the Earth
- tectonic plates
- volcanoes
- famous volcanoes
- famous earthquakes
- impact of earthquakes

EDUCATION FOR PERSONAL RELATIONSHIPS

We are looking at

As children of God, we are learning about:

- Be good to me – how can we make sure that everyone feels safe?
- Online safety – how to remain safe and what to do if you feel unsafe.

:

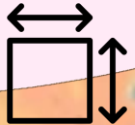

MATHS

We are looking at area and multiplication and division.

As mathematicians, we are learning about:

- making shapes and calculating areas.
- comparing areas
- multiples of 3
- the 3, 6 and 9 times tables
- multiplying and dividing by 9, 7, 11 and 12
- multiplying by 1 and 0
- dividing a number by 1 and itself
- multiplying 3 numbers

SCIENCE

We are looking at animals including humans.

As scientists, we are learning about:

- different teeth and their functions
- the mouth in the digestive system process
- the stomach in the digestive system process
- the whole digestive system
