

ENGLISH

We are looking at fiction and poetry.

As readers and writers, we are learning about:

- leaving spaces between words
- using capital letters and full stops correctly
- using capital letters for days of the week
- adding an 's' to make a noun plural
- using the suffixes 'ing' and 'ed'.

We are reading 'Beegu' by Alexis Deacon and Pattern Poetry by various authors.

RELIGIOUS EDUCATION

We are looking at Lent and the Easter Story.

As spiritual people, we are learning about:

- Lent being a special time for praying, fasting and helping
- That Jesus died and rose again.

We will study the following stories from Luke's Gospel:

- Jesus is tempted in the desert for 40 days
- Jesus enters Jerusalem
- Jesus teaches in the temple
- the widow's mite
- the Last Supper
- the Crucifixion and death of Jesus
- the angel's message.

Please ensure children are reading for 10 minutes daily and watching the phonics videos weekly. Reading Journals are checked weekly. Seesaw will be updated weekly. All homework is on Seesaw. We appreciate your support with this. Thank you.

MUSIC

We are looking at identifying instruments of the orchestra.

As musicians, we are learning about:

- identifying instrumental family groups in the orchestra by listening to 'The Young Person's Guide to the Orchestra' and 'Peter and The Wolf'
- identifying some individual instruments e.g. Violin, Cello, Flute, trumpet, kettle drums etc.
- using instrument names to learn basic rhythmic notation
- Composing and performing 4 beat rhythms using names of instruments of the orchestra.

ART and D.T.

We are looking at mark making with a variety of mediums and materials.

As artists, we are learning about Paul Klee, and learning to:

- use a range of materials to create an original piece of artwork inspired by our key artist
- develop a wide range of design and art techniques using colour, pattern, texture, line, space, form and shape.

PHYSICAL EDUCATION

We are looking at Hockey.

As hockey players, we are learning about:

- controlling the ball using the hockey stick
 - passing the ball with control.
- As Yogis, we are learning about:
- basic yoga poses that improve balance, core stability, coordination and flexibility.
 - performing yoga balances with control
 - exploring a range of breathing techniques and relaxation poses.

GEOGRAPHY

We are looking at our local area.

As geographers, we are learning about:

- our school in Hove and its immediate surroundings.
- key features of Hove from aerial photographs
- directional language and the four points on a compass
- symbols and keys on a map
- the impact of pollution on the local environment.

EDUCATION FOR PERSONAL RELATIONSHIPS

We are looking at God's love, physical activity and good/not so good feelings.

As children of God, we are learning about:

- celebrating the ways that God loves and cares for us
- ways that we can be active
- what happens to our body when we are active
- good feelings and not so good feelings and how feelings can change.
- what we can do to help us to feel better if we have a not so good feeling.

MATHS

We are looking at place value within 20, addition and subtraction within 20 and place value within 50. As mathematicians, we are learning about:

Place value within 20

- using number lines to 20
- estimating on a number line to 20
- comparing numbers to 20
- ordering numbers to 20.

Addition within 20

- add by counting on within 20
- add ones using number bonds
- find and make number bonds to 20
- doubles/near doubles.

Place value within 50

- counting from 20 – 50
- recognising 30, 40 and 50.
- grouping and partitioning into tens and ones.

SCIENCE

We are looking at plants.

As scientists, we are learning about:

- common plants, including garden plants and trees
- roots and flowers and how to identify them
- similarities and differences in tree trunks
- deciduous and evergreen trees and how to draw their leaves
- the basic structure of a variety of common plants including roots, stem/trunk, leaves and flowers.
