Multi skills festival—year 3

Our year 3's were recently performing at the multi skills finals event for the second year in a row. To make this event, all of year 3's completed challenges and scores were submitted. As our children performed so well in these challenges, we were then invited to bring 10 children to compete at the Brighton and Hove finals against 4 other schools. At the competition, our children were brilliant, competing in 6 different challenges and getting top scores on a few. Victoria was top scorer in the speed bounce and Jack top in the clap catch.. The scores were added and team Cottesmore were crowned champions for a second year in a row! The team now go on to represent Brighton and Hove at the Sussex School Games finals.
