

Book Swap – Monday 10th October 2022

On the 10th October, we held our first Book Swap of the new academic year. It was wonderful to see so many children enthused and excited about the opportunity to find new books of different genres and text types. Thank you to all of the parents and children who donated books from their homes to be swapped, and to the Year 6 children who helped set up and carry out this event. We will be hosting another book swap next term if you were unable to attend this time.
