

The Great Book Swap is a fantastic way to celebrate reading.

On the 28th March we had our first Book Swap of the year. It was a huge success with much excitement from all who attended.

Amelie, Sophie and Jaren organised this event by announcing it to all the classes. They collected all the donated books, made posters, gave certificates of thanks to each class and most importantly prepared the tables full of books. They are fantastic ambassadors for reading.

Thank you for taking part in this activity as it is a great way to find new books to read for FREE!

Thank you to all those who contributed by donating such amazing books and for being so generous.
