

Eco council meeting 22nd February 2022

Present: Ms McCartney,
Year 6 reps Samuel and Theo,
Year 5 reps Alice (absent) and Isobel,
Year 4 reps Teddy and Ted,
Year 3 reps Michael and Eva,
Year 2 reps Bella and Rapha,
Year 1 rep Kai and George.

Agenda:

The Eco committee noticed that the meeting had been called at 2.22 on 22.2.22, and had a short discussion about the significance of the palindrome.

1. Recap on actions from last meeting (26.1.22)

- Action 1 – City of Meadows – SWT coming to advise in March
- Action 2 – Update school uniform policy and website (RB/NC) **in process RB**
- Action 3 – Vegan cook book, parents to email recipes, (**ALL**) still to be done.
- Action 4 - Promote the second hand uniform shop with posters around the school (ECO - immediately) Posters from group? **JM in contact with TS Still in progress**
- Action 5 – Beach clean – JM in contact with Rockwater restaurant on seafront to join forces.

2. News for going forward:

Psalm 23 garden in the old pond area.

The Eco committee took an inspiration gathering walk around the pond area to help visualise ideas to develop this area.

Suggestions included a water feature, a frog house, a C shape pond for Cottesmore or a recycle logo on the fence.

Isobel reported that she has already started making posters for the toothbrush challenge.

Kitchen Waste for Composting

After starting the compost project with year 1, it was suggested that the kitchen should save all their compostable waste, eg the peelings from carrots and potatoes, the broccoli stalks etc. and put them in our compost. Ms McCartney will follow this up.

3. Ideas from the committee :

Bella (year 2) – We all try to eat less meat and fish, for Lent.

Ted – we use the wood from fallen down trees for Forest School

Teddy – we use recycled paper for our worksheets.
