Agenda:

- Welcome and register
- Waste assembly,
- Cop 27
- Trip to CNCS Forest school
- Remind about paper and pen recycling.

1. Volunteers to speak in assembly:

James, Flynn, Sophie, Alice, Lilia, Thomas P, Clara, Rapha, Gabi, Eva, Malia,
To discuss 'farm to fork' and how much cost and time is involved in what we throw away from our lunch. Mrs McCartney to design assembly, volunteers to practise next week.
Annie & Eva - talk about compost bins on playground - Mrs McCartney to purchase.
Muna - 'one piece is one piece too many.' One use water bottles should not be used, link to Alice idea of design a school bottle.

2. Cop27

Talked about how leaders are meeting, a bit like we do, but they have the power to make changes for whole countries. Spoke about future careers for Eco aware children, governments need to stick to promises made and how they should listen to young people.

3. Trip to Cardinal Newman Forest School.

Wed 30th November. 11.15-1.15pm bring a packed lunch and ask parents to volunteer to help. Opportunity to discuss our eco activities and to hear some from Newman. Plan Eco Freecycle event in March.

4. New proposals from Eco team.

Design a school water bottle competition - Alice suggested, Mrs McCartney will speak to RB. Make this a whole school competition - name tag must be on it, non-spill lid, which material? Litter team on playground duty (eco members)
