

Poetry Competition June 2020

This year Cottesmore St Mary held a poetry competition for children of all year groups. Our theme was rainbows – a widely recognized symbol of hope and gratitude in these challenging times and an extremely special one to our school.

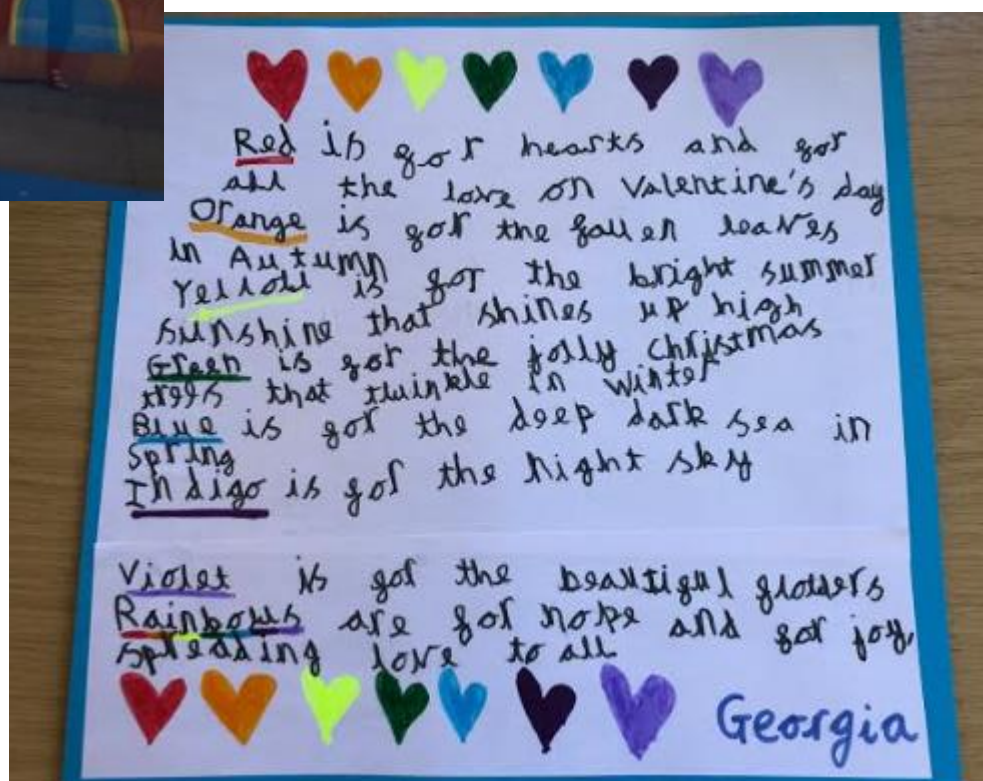

The children in Reception and Key Stage One were challenged to create a poem using the colours of the rainbow. The children thought about what the colours of the rainbow meant to them and used descriptive language to bring their poems to life.

In Key Stage Two the task was more open, asking the children to write about what the rainbow symbol means to them. The children reflected on the times that we are living in and God's promise to us, in the story of Noah's Ark.

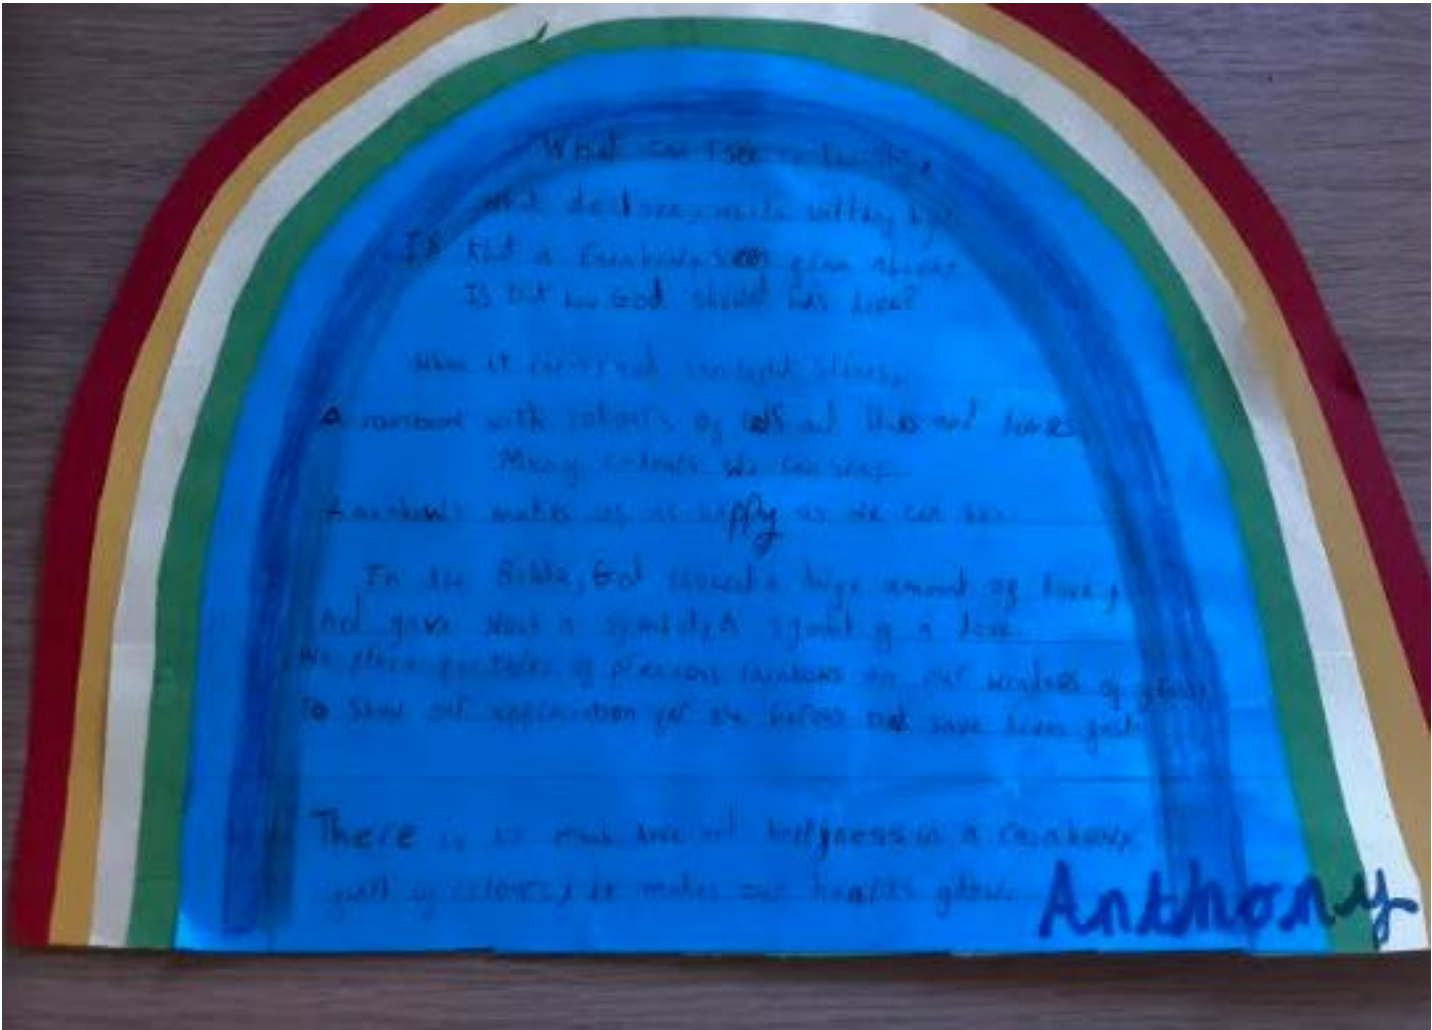

We were delighted to see many children participating, including through remote learning as distance learning was underway. We collaborated with The Book Nook in Hove, who proudly displayed the winning entries in their shop window. Both of the winners also received a beautiful poetry book from the store.

We are proud to announce that the winners were

Key Stage One – Georgia

Key Stage 2 – Anthony

Congratulations to our budding poets and everyone who took part.
