

ENGLISH

We are looking to write a fable based on 'The Crow's Tale' and instructions on how to build a bird feeder.

As readers and writers, we are learning about:

- adverbs and adverbial phrases
- repetition
- alliteration
- onomatopoeia
- dialogue
- similes

MUSIC

We are looking at Pitch Perfect part 2.

- As musicians we are learning about:
- understanding pitch with tuned percussion and dot notation
 - reading and writing dot notation when performing using xylophones, boom whackers and other classroom instruments
 - using sign and sound using Solfege

Computing

We are looking at Algorithms and Sequencing.

- As computer programmers, we are learning about:
- early on-screen programming
 - sequencing a program
 - identifying and fixing mistakes in programming

ART and D.T.

We are looking at the life and works of Henri Rousseau. The children will find out about his life as an artist and the different places and artists which influenced his artwork. After exploring several of his paintings, the children will create their own Rousseau - inspired painting.

- As artists, we are learning to:
- use our imaginations and skills to paint our own pieces of artwork inspired by Henri Rousseau
 - understand the meaning of Henri Rousseau's genre, 'Portrait-Landscape'.

MATHS

We are looking at multiplication and division and length and height.

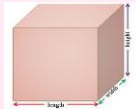

As mathematicians, we are learning:

Multiplication and division

- to make equal groups
- to add equal groups
- the 2, 5 and 10 times table
- doubling and halving
- odd and even numbers
- to divide by 2, 5 and 10.

Length and height:

- to measure in cm and m
- to compare length and height
- to order different lengths.

RELIGIOUS EDUCATION

We are looking at Desert to Garden.

As spiritual people, we are learning about:

- the Last Supper
- Jesus' crucifixion and resurrection
- Lent and Lenten promises
- the Easter vigil
- reconciliation
- the story of Peter at the tomb

PHYSICAL EDUCATION

We are looking at Jungle yoga in indoor PE and hockey in outdoor PE.

As athletes, we are learning to:

- relax our bodies
- perform a variety of yoga poses
- hold a hockey stick
- dribble and control the ball using a hockey stick
- pass the ball between team members.

GEOGRAPHY

We are looking at continents and oceans.

As geographers, we are learning about:

- what a continent is
- naming, locating and comparing the 7 continents
- the equator
- warm and cold climates
- naming and locating the major oceans
- physical features of continents
- human features of continents

RSHE

We are looking at the topics Health Education and Mental and Health Wellbeing.

As children of God, we are learning about:

- healthy eating
- how we can keep our bodies healthy
- big feelings and how we manage these
- body signs and symptoms that show us we are having a big feeling.

SCIENCE

We are looking at materials.

As scientists, we are learning about:

- exploring and identifying different types of materials including plastic, rubber, wood, metal and glass
- investigating how materials are matched to their purpose
- understanding suitability of materials
- exploring how different materials change shape

Please ensure children are reading for 10 minutes daily. Reading Journals are checked weekly. Seesaw and MyMaths will be updated weekly. All homework is on Seesaw. We appreciate your support with this. Thank you.
